BISHOP TO SPEAK TO MASONS

Prelate to Attend Meeting in Richmond Next Sunday.

Richmond, March 15.—One of the most interesting and impressive features of the public meeting in the Seventh-Street Christian church Sunday at 3.30 p. m. is the fact that the Masons of Richmond and the Right Rev. Bishop O'Connell will take a prominent part. When Bishop O'Connell cordially accepted the invitation to give one of the addresses on the World's Court league, he knew that a large section of the church was reserved for the Masons, and that while it is not a "Masonic occasion," but a general public meeting to which all are invited, that the Most Worshipful Past Grand Master Eggleston would preside, and he was assured that one of the foremost leaders of the Masons had suggested that he be invited to give an address and that the Masonic brethren would be delighted if he would do so.

It is a unique occasion and will have a great influence in developing the "good-will" which is the Christian basis of peace in the nation and among the nations.

Rev. Dr. G. W. McDaniel, who is not a Mason, and Past District Deputy Grand Master James have also promised to speak.

Other speakers and the special music features will be announced later. The public is invited.

TEUTONS AND CARRANZA

Said to Have Offered Regiments to Mexico, Including Reservists in This Country.

El Paso, Texas, March 15.—Government officials here have received information from confidential sources in Chihuahua City, Mexico, that the Germans residing in that city offered to raise a German regiment in Northern Mexico to fight with the Mexican troops in the event that the United States declared war on Germany and Mexico became involved.

German reservists from the United States and German residents of Mexico were to make up this regiment, it was said.

Washington, March 15.—Confidential diplomatic reports from the representatives of a neutral government in Mexico passing through here on their way to Europe say the German Bank at Mexico City and the German Legation there are guiding virtually the entire financial and diplomatic affairs of Mexico.

According to these reports, the action of Mexico in sending recently to the American republics a note on the subject of peace in Europe was directed by officials of the German Legation, while the German Bank is said to have come into control of the Mexican financial situation.

It is declared that the German bank has accepted quantities of the

paper issued by the Mexican Government and that the institution appears to have at its disposal unlimited resources. From the tenor of the reports it appears that a large amount of German money has reached the Mexican Government. The German Legation is said in the reports virtually to be directing every move of the Mexican Government, both internally and externally.

Charged With Desertion.

El Paso, Tex., March 15.—Sergeant Alexander Fruchter, of Company K, Seventeenth United States Cavalry, is being detained at Fort Bliss guard-house on a charge of desertion it was stated by military officials last night. Fruchter is of German birth, and an investigation following his arrest is said to have resulted in the finding of a number of German letters and other papers in his effects.

APPRECIATE HIS**PLAIN TALK ON****TALAMOL**

The Talamol Man Gives a Forceful Demonstration of the Natural Tonic.

"The average person dislikes the thought of taking medicine as badly as a school boy hates to have his hands and face washed before going to school," said the Talamol Man, who is demonstrating Talamol, the great natural tonic, at Warfield's Drug Store, Cor. King and Pitt streets.

"When we become sick, the thing we need and need badly, is the most natural tonic we can get. Human instinct tells us when we are physically unfit, almost the first warning given us is 'Don't care sort of feeling.' We lack interest in the affairs of life and drag along in this manner, until the time comes when it develops into something more serious, such as stomach trouble. Everything we eat disagrees with us; the food which puts life into our bodies becomes sour, causing bloated feeling and distress."

"We become subject to frequent headaches, complain of pain in the back caused by weak kidney, and one of the most annoying symptoms which is constipation. We forget nature and look to human things to save us."

"Talamol," through the proper administration of roots, herbs, and barks, takes us back to nature as near as it is possible for human intelligence to do so. It restores the activity of the vital organs."

"Talamol," is now being specially introduced at Warfield's Drug Store, Cor. King and Pitt streets, where the Talamol Man is meeting the people and explaining the merits of this great herb and root medicine, "Talamol."
